

Introduction

Kootenay Christian Academy is committed to excellence in education within the context of Biblical truth. This manual sets forth the policies, principles, and general guidelines by which the school will operate. These policies and procedures are intended to provide the Board, Administration, and Staff with clear guidelines and procedures for the operation of the school.

The existing policies and procedures, having been passed by the Board after careful deliberation, are intended to enable the Administration and Staff to carry out their daily responsibilities with freedom and confidence. A schedule for reviews will be set by the board in consultation with the principal, and policies and procedures will be updated and modernized as necessary. The Board is ultimately accountable to God and should consider exceptions & revisions to policy in this regard.

It is our prayer that these policies and procedures will help the school to provide children with a Christ-centered and academically responsible education so that Parents may be helped in fulfilling their responsibility to bring up their children in "the nurture and admonition of the Lord."

Permission has been granted by Airdrie Koinonia Christian School of Airdrie, Alberta, Canada (www.akcs.com) to reproduce and revise portions of their policy manual for our use.
